## Information for Master Applicants

### OWL University of Applied Sciences and Arts

TH OWL's goal is to tackle complex problems and global challenges and work to ensure that knowledge and innovations benefit society. The TH OWL provides education and research in engineering, economics and management, life science technologies, design and construction. More than 6,500 students, 175 professors and 520 employees are based at the campuses in Lemgo, Detmold, and Höxter. Each campus is characterized by its courses of study. Lemgo is home to the classic engineering disciplines, supplemented by one-of-a-kind courses such as Media Production, Wood Technology and Food Technology. Detmold focuses on disciplines involving construction and design. Höxter has made a name for itself as a campus dedicated to ecological aspects in engineering. At TH OWL, scientific knowledge and methods are conveyed and applied in the numerous well-equipped labs and institutes.

### Dynamic Region: OstWestfalenLippe (OWL)

With around 120,000 companies, OstWestfalenLippe in northwestern Germany is a region with an industrial focus, where business and science are closely connected. The collaboration of universities and a wide variety of high-performance companies makes OWL an important research location with over 65,000 students and more than 500 study programs.

### English-Taught Master Programs

Detailed information about admissions requirements, application deadlines, and program start dates can be found on the OWL University of Applied Sciences and Arts Website:

[TH OWL – International Office TH OWL – International Support Services – Degree-Seeking Students](#)

### Academic Calendar

	Semester dates	Lecture Period
Winter semester 2021/2022	September 1, 2021 – February 28, 2022	September 20, 2021 – February 4, 2022
Summer semester 2022	March 1, 2022 – August 31, 2022	March 21, 2022 – July 15, 2022

**Note for tuition-free programs:** While the programs do not charge tuition, a mandatory fee of approximately 300€ per semester covers student services and public transportation for North Rhine-Westphalia.

### Application

Please check the application deadline and requirements of the program of your choice. If you earned your degree in a country other than Germany and wish to apply for a master’s program, you are required to submit your application to OWL University of Applied Sciences and Arts via [UniAssist](#), a German university application service for international students. OWL University of Applied Sciences and Arts will only accept applications provided with the [uni-assist.de](#) online form.
