Internship Abroad at Bielefeld University

Internships start in May 2024, working language English, Erasmus+ funding possible, organizational support by the International Office (e.g. accommodation, onboarding).

Choose between four different internship opportunities:

- Faculty of **Biology** (Duration: 2-3 months, different research groups possible, work in a lab)
- Faculty of **Law** (Duration 2-3 months, international research project possible)
- Faculty of **Education** (Duration 2-3 months, with focus on theory and history of inclusive education)
- **Teaching at a German School** in Bielefeld (Duration 1-2 months until end of June; observing and teaching activities)

Apply at your home institution until December 10th or an earlier deadline from your university. Expect admission/rejection in February 2024.
